

TRAFFIC ADVISORY

State Street/University Parkway Grade Separation

May 19, 2008

Short Street Closure:

Please be aware of closures and construction crews working on the realignment of Short Street during the State Street/University Parkway grade separation project.

- A closure of Short Street will occur between State Street and Cajon Boulevard beginning June 5th through early-August.
Please be aware that only local traffic will be permitted. Crews will provide access to homes throughout the realignment and will work with residents to ensure minimal inconvenience.

Detour Routes:

- Northbound traffic on State will proceed north to Cajon Blvd. and take Cajon south back to Short Street.
- Southbound traffic on State Street will proceed south to Cajon Blvd. and take Cajon south back to Short Street.

Thank you for your patience during construction. Should you have any questions or concerns regarding access to your home during this closure, please contact us at (909) 875-6029 x216.

For more information, please visit www.sanbag.ca.gov and click on the "Active Projects" section of the website.

Project Benefits...

- ▶ **No more waiting for trains!**
- ▶ **Easier access to homes, businesses & Cal State**
- ▶ **Improved air quality**
